

Lyndex-Nikken. Together, Lyndex and Nikken represent the best of both worlds: Extreme Quality and Advanced Technology.

Though only recently established, Lyndex-Nikken already has a long history of success. Founded nearly three decades ago, Lyndex Corporation set the standard for quality toolholding in the U.S. Nikken, on the other hand, was established in Japan over a half century ago and has a rock solid reputation as the number one manufacturer of toolholders and machine tool accessories.

From the joining of these two great companies emerges an even greater company. Lyndex-Nikken boasts a broader product line, more service personnel and a higher degree of engineering support and technology.

Best of all, the quality that you've come to expect from Lyndex is further reinforced through the addition of Nikken products.

Complementing this extensive inventory is expanded support. From Lyndex-Nikken, you are assured of the highest levels of knowledge-based engineering and service.

Superior quality and technology, as well as selection and service, make Lyndex-Nikken your single source for toolholders and machine tool accessories.

Lyndex Corporation began in 1979 as a supplier of 5C and R8 collets. The company was founded with a vision of becoming the industry's premier supplier of quality toolholders.

Over the years, Lyndex's product line has evolved to include a vast selection of toolholding and accessories. Commitment of quality products and excellent service has earned Lyndex industry-wide attention.

Partnering with Nikken has further enhanced opportunities for Lyndex and Lyndex customers.

Nikken Kosakusho Works, Ltd. has dominated Japan's toolholding market almost since its inception in 1953. Established by Mr. Matsumoto, a top name in Japan's machine tool market, Nikken is committed to technological advancement and customer satisfaction.

Today, Nikken annually produces over 300,000 toolholders, 2,500 CNC rotary tables and 250,000 reamers. A global company, Nikken's sales and technical service network consists of over 600 employees worldwide.

Through joining forces with Lyndex, Nikken will further establish its presence in the U.S. toolholding marketplace.
